*M1NT Shanghai is proud to present Vandalism. One of the most sought after electro groups in the world. Their distinctive sound has resulted in six world tours, 18 of their tunes and remixes reached #1 position on djdownload.com. DJ Andy Van comes in heavy selling 2,000,000 records with his old band Madison Avenue (Don't Call me Baby) while Vandalism singer Cassie Van's "Creeps" became a huge club hit around the world. She then topped that of with "Twisted" Smash Disco" and a remake of classic club tune "Hablando". Playing for millions at festivals around the world here is your chance to see them from your table 200 meters up overlooking Shanghai. Rock on !*
